Sir:

Attached to the Notice of Allowability mailed on October 19, 2006 was an Interview Summary Record summarizing a personal interview between the undersigned and the Examiner on October 3, 2006. The Interview Summary Record requires the Applicant to file a statement memorializing the substance of the interview. In reply, Applicant confirms the substance of the Examiner's summary of the interview. During the interview, the undersigned and the Examiner came to an agreement that the subject matter of claims 1 and 17 were patentably distinct over the prior art of record. The undersigned also agreed to amend claims 4 and 19, so that they properly depend on claims 1 and 17, respectively.

Applicant believes that this Statement is fully responsive to the requirement in the Interview Summary Record.

Respectfully submitted,

PILLSBURY WINTHROP SHAW PITTMAN LLP
